

### **REMARKS**

Examiner Fedei is thanked for the courtesy extended to the undersigned during a telephone interview which occurred with the Examiner on January 14, 2008.

During the interview, it was discussed with the Examiner how to avoid the rejection of claims 25 and 26 under 35 U.S.C. §112 in order to place the application in condition for allowance. Specifically, it was discussed with the Examiner how to remove the rejection of claims 25 and 26 for being indefinite regarding the recitation of "about" and further, the recitation of "corners". The Examiner suggested that the language of "about" in claims 25 and 26 be replaced with "substantially".

Furthermore, the Examiner agreed that it was appropriate to amend the specification in paragraph [0016] to recite "with a length of about or substantially 85 mm, a width of about or substantially 54 mm".

Claims 5 and 14 have been amended to contain the subject matter of claims 25 and 26 which is understood to place the application in condition for allowance in view of the discussion which occurred with the Examiner indicating that the amendment of claims 5 and 14 to contain the subject matter respectively of claims 25 and 26 while overcoming of the rejections under 35 U.S.C. §112 would place the application in condition for allowance.

It should be noted that the term "faces" has been replaced with "surfaces".

In view of the foregoing amendments and remarks, it is submitted that the application is in condition for allowance. Accordingly, early allowance thereof is respectfully requested.

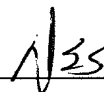

To the extent necessary, Applicants petition for an extension of time under 37 C.F.R. §1.136. Please charge any shortage in fees due in connection with the

filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (142.43482X00) and please credit any excess fees to such Deposit Account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
